AQUATEC® COMMODES

OCEAN ERGO / OCEAN ERGO SP

Ocean Ergo

Ocean Ergo SP

Family of shower chair commodes have been designed with user comfort, independence and dignity in mind. Based on the well-established Aquatec® Ocean range, the Ocean Ergo family comes packed with a range of new features designed to make personal care activities easier for both the user and caregiver

A new and more ergonomic design encourages an upright and stable seating position. Ergo shower commode chairs are manufactured from stainless steel and are rust proof. The improved caster design eliminates the collection of debris in the axle area. The ergonomically designed collection pan secures close to the seat ensuring peace of mind for the user and caregiver. The Ocean Ergo components are easily removed for cleaning in an autoclave or the entire shower commode can be used in a chair washer. The Ocean Ergo SP comes complete with 24" rear wheels with stainless steel quick release axles and wheel locks promotes independence and privacy.

FEATURES

- Ergonomic seat plate with a 5˚ posterior angle to support natural toileting position
